Looking for a new novel to teach? Consider *The Hunger Games* by Suzanne Collins. It's appropriate for or any student from 5th - 12th grades, and especially effective for reluctant readers. Every kid I know has loved it--including those who admit they never really read a book before. It has universal appeal. I've created a unit with check quizzes, tests, powerpoint review games, fun activities, vocabulary, character organizer, and so much more. You won't need anything else but this--and it's only $9.99! **Find it here:** http://www.teacherspayteachers.com/Product/Hunger-Games-Novel-Unit-Lessons-QA-Tests-Activities-Quiz-Vocab-Maps
